
The Manhattan Collection

The Manhattan Collection of presentation cases are a new contemporary style range with chunky feel rounded corners with oversize lid and base pads. These cases are covered in skivertex as standard and come in four standard colours, black, blue, green and red (other covering materials and colours are available as seen in the pictures below for bespoke work only-- please call). Large cases include button lock. Options available include internal foil blocked printing and on case tooling. All cases are provided with sleeves as standard.
